

Equipment Rental

The NathOrbit Association is a non-profit organization founded on solidarity, sharing, and mutual assistance. Our mission is to provide the community with high-quality equipment that is accessible to everyone, in order to facilitate cultural, educational, sports, or event projects.

In this spirit of pooling resources and collective responsibility, we offer for rent the items listed below. Each loan is subject to simple and transparent conditions that reflect the values of fairness and friendliness that drive our association. By choosing our equipment, you not only support your own initiatives, but also contribute to the vitality of our association's life, the sustainability of free or low-cost services for all, and the very growth of the association itself.

We therefore invite you to browse the following references, contact us for any reservation request, and share with us the wonderful projects you will be able to realize thanks to this equipment made available to you.
